Modern Joinery Apprenticeship

Are you looking to learn a trade and start a successful career in Construction and Production?

Would you like to earn an income alongside achieving your qualification and experience as part of a welcoming team of skilled trades?

Creating Enterprise is excited to announce that we are recruiting for an apprentice to join our expanding Electrical team and qualified Trade colleagues!

We are looking for an enthusiastic and motivated person to take up a Joinery based apprenticeship working with us to support our 4000 properties across North Wales.

Creating Enterprise trade colleagues will support and supervise you as you work toward your level 3 qualification and whilst you gain valuable experience in a supportive environment within a growth and forward-thinking organisation.

The role is full time, up to 42 hours per week (including your college day) Monday – Friday. We will provide paid leave for you to attend college and a fixed term contract of employment with Creating Enterprise which falls in line with your qualification duration.

You can join us with or without prior completion of any level of joinery/carpentry qualification, but we do ask that you have a minimum of two passed GCSE's (D or above) in Maths and English or Welsh (if first language), or Essential Skills L1/L2 in Application of Number and Communications

Creating Enterprise offer excellent terms and conditions, benefits and a comprehensive training package to the successful candidate. To learn more about the benefits we offer, please read the Job Description via the Creating Enterprise website https://www.creatingenterprise.org.uk/en/careers-at-creating-enterprise/ and complete the dedicated application form and then please send to Creating Enterprise vacancy email address

Salary: NMW/NLW - £10,500.00-£20,748.00 per year

Closing date: Sunday 21st August 2022

Interview dates: Week Commencing 22nd August 2022

Creating Enterprise, part of Cartrefi Conwy, is an award-winning building and maintenance contractor based in North Wales.

We are proud to be the number one of the Fastest Growing Company in Wales

We provide a wide variety of property maintenance services to the public and private sector and specialise in Modular Construction, building timber frame Passivhaus standard homes.

As a social enterprise, we are able to demonstrate a strong social value as we invest our profits back into employment initiatives via our Creating Futures Academy.
